The current travel requirements to Singapore is appended.

TRAVELLING TO SINGAPORE

All travellers, including Singaporeans and Permanent Residents and travellers fully vaccinated against COVID-19, are required to:

1. Take a **COVID-19 PCR or professionally administered ART (antigen rapid test)** two days from the scheduled date of departure day of the flight to Singapore. The test result memo must state the following:
 - A negative test result in English;
 - Date that the test was taken, and
 - Traveller/s name and either Date of Birth or Passport Number as stated in the passport.
2. **Submit an e-Health Declaration** within 3 days prior to your arrival in Singapore (<https://eservices.ica.gov.sg/sgarrivalcard>). Prior to your arrival in Singapore, you should also ensure you have downloaded TraceTogether (for contact tracing) and WhatsApp (for SHN compliance checks) on your mobile phone.
3. **Serve a 7-day SHN at your place of residence/accommodation.** You should travel from the airport to your SHN accommodation via **private vehicles** (e.g. taxi, private-hire car, car driven by family member or friend). There should not be more than one person picking up the traveller, and the traveller must be ferried directly to their declared place of accommodation. While you can flag a taxi at the airport, you may have to wait for some time if there are no available taxis or book one when you arrive.

Taxi/Private Hire Vehicle Service Provider	Contact Number* / Mobile Application
ComfortDelgro Taxi (Comfort & CityCab taxis)	6333 1133 or via ComfortDelGro app
TransCab	6213 0997
SMRT	6477 5971
Prime	6776 7553
Premier	6681 9462
Go-Jek, GrabSHN, Ryde, MVL(TADA)	via respective providers' app

**Operating hours: 8am - 6pm*

For phone booking, please identify yourself as a person subject to a Stay-Home Notice to the hotline operator. For app booking, please indicate your status as a person subject to a Stay-Home Notice by keying "SHN" in the chat/note/comment box or by checking the SHN checkbox (if provided within the app).

Please also identify yourself as a person subject to a Stay-Home Notice when boarding the vehicle. When travelling in the taxi or private hire car, you should

sit alone in the back seat, with windows down and the air-conditioning turned off. While street-hail taxis are also permitted, **other forms of public transportation (e.g. bus / train) should be avoided.**

4. Undergo a COVID-19 PCR test at the end of SHN (cost to be borne by traveller – approx. S\$200 per test). You should receive appointment details for this test one day before the end of your SHN. You should only take **private vehicles** (e.g. taxi, private-hire car, car driven by family member or friend) to and from the test venue, similar to transport arrangements from the airport to your SHN accommodation.

You may refer to <https://safetravel.ica.gov.sg> for the latest entry requirements to Singapore.
